I enjoy Easter. I think of the days when I would receive a new puffy dress and a can-can....new white shoes and new white gloves. Just didn't like getting my hair put into those pink curlers .....I had to sleep in those things and would get "the eye" from my Mother if any of them fell off during the night.

I remember one year when our family drove to the Chicago area to visit my Aunt June, Uncle Art and their kids....I had just my Easter outfit and some play clothes in my box...and we woke up to a lot of snow.....so I was cold and wet on my way to church.....but, I looked cute!

For my Jewish family and friends  
Happy Passover
